

Preston County Schools has proposed a \$ 2,000,000 per year school excess levy that will appear on the November 8, 2016 ballot for purpose of facility maintenance. The tables below can be used to determine the **additional** tax liability for citizens on the assessed value of their Class 2; Class 2 on Homestead Exception; Class 3; and Class 4 Property. Individuals 65 years of age or older along with those who are considered totally disabled are eligible for the Homestead Exemption (table highlighted in yellow below) which is a \$20,000 assessment reduction on Class 2 property.

Definitions: **Class 2**- Owner occupied property including mobile home; **Class 3**- Everything that is not class 2, outside a municipality; **Class 4**- Everything that is not class 2, within a municipality.

Example: A citizen with a house (Class 2 Property) with an assessed value of \$150,000 and a car (Class 3 or 4 Property) with an assessed value of \$9000 would pay an additional \$160.27 in property taxes (i.e. \$13.35 per month). While a person on homestead exemption in the same circumstance would pay \$141.19 (i.e. \$11.77 per month)
