

# Brain Freeze Activities for 1<sup>st</sup> Grade - Reading

Two different activities are to be completed for each Brain Freeze day.  
Send documentation of activity completion to your child's teacher.

<p>Using your finger or a stick, write your sight and spelling words in the snow. If you can take a picture and email your teacher through Livegrades.</p>	<p>Write a story pretending that you're stuck in a snow globe. Please tell what you hear, feel, see taste, and smell.</p>	<p>Write a book about what you did on your Brain Freeze day.</p>	<p>Turn off the lights and read your favorite story by flashlight. If you can take a picture and email your teacher through Livegrades. Describe the characters, setting and events.</p>
<p>Write your sight and spelling words in fancy ways or decorate the letters as you write them.</p>	<p>Write silly sentences for five of your spelling or sight words.</p>	<p>Help your family write out the grocery list.</p>	<p>Write the opposites of dry, open, more, large and young. Then write five more opposites of your choice.</p>
<p>Cut out pictures that show different kinds of weather. Paste and label on a separate sheet of paper.</p>	<p>Unscramble the sentence and rewrite them. snake The green is . Can ? fly ducks ice cream I . pink like will He ball . kick the</p>	<p>Sort these words into 2 categories: cupcake, tacos, salad, cookies, cake, pasta, hot dog, ice cream, hamburger, pizza, pie, popsicle. What is the title of your two categories?</p>	<p>Write the proper nouns that should be capitalized. kim, books, david, smith, april, city, november, clock, computer, desk, friday, picture, sailboat, monday, rabbit, west virginia</p>
