Preston County Schools has proposed a \$ 4,500,000 per year school excess levy that will appear on the TBA 2019 ballot for purpose of general school improvement. The tables below can be used to determine the **additional** tax liability for citizens on the assessed value of their Class 2; Class 2 on Homestead Exception; Class 3; and Class 4 Property. Individuals 65 years of age or older along or those who are considered totally disabled are eligible for the Homestead Exemption (table highlighted in yellow below) which is a \$20,000 assessment reduction on Class 2 property.

Definitions: **Class 2**- Owner occupied property including mobile home; **Class 3**- Everything that is not class 2, outside a municipality; **Class 4**- Everything that is not class 2, within a municipality.

Example: A citizen with a house with an assessed value of \$90,000 and a car with an assessed value of \$9000 would pay an additional \$227.88 in property taxes (i.e. \$18.99 per month). While a person on homestead exemption in the same circumstance would pay \$185.68 (i.e. \$15.47 per month)
